AI POWER STUDIO

A taste of your next content plan.

Three feed concepts, one Story and practical next steps for your restaurant.

SAMPLE WORK / NOT A CLIENT PROJECT

Fictional restaurant concepts with AI-generated food images. Replace with your approved branding, real food photos and verified details before use.

Fictional restaurant concept. AI-generated food image.

01 / SIGNATURE DISH

Make the favourite the focus.

CAPTION TO ADAPT

Good food. Good company. Bring your favourite person and make a little time for dinner. Explore our menu through the link in our bio.

BEFORE YOU POST

Use your real dish photo, the correct menu name and a working menu link.

Fictional restaurant concept. AI-generated food image.

02 / MENU SPOTLIGHT

Give one idea room to shine.

CAPTION TO ADAPT

Meet your next favourite. A little inspiration for your next visit. Take a look at our menu and choose what sounds good to you.

BEFORE YOU POST

For an actual special, add confirmed availability and approved pricing. Never invent an offer.

Fictional restaurant concept. AI-generated food image.

03 / TAKEOUT NIGHT

Make the next step simple.

CAPTION TO ADAPT

Dinner plans? Sorted. Explore our takeout menu and let us handle the cooking tonight. Find the ordering link in our bio.

BEFORE YOU POST

Confirm takeout hours, actual dish availability and the correct ordering link before posting.

04 / A MATCHING STORY

Same message.
A different moment.

Pair your feed post with a vertical Story and a clear next step.

1. Use your actual dish photo and approved branding.

2. Add a short invitation to view your menu, book or order.

3. Add the live destination using Instagram’s link sticker when posting.

This artwork contains no live link. The restaurant image is an AI-generated illustration.

LET’S MAKE IT YOURS

Your restaurant.
Your next useful idea.

Tell us your location, your website or Instagram handle, and the task you want help with. We can discuss content, menu promotions or a clearer website.
